ACADEMICS

LWHS offers a wide variety of classes designed to meet the needs of our diverse student body. In addition to regular academic program offerings, the school offers a rigorous advanced academic curriculum. Students can take advantage of Advanced Honors. Placement, University of Washington in the High School, CTE Dual Credit (earning college credit while enrolled in classes at LWHS). They can also access full or part-time Running Start (dual enrollment program where college courses are taken at community colleges) or WANIC (Washington Network for Innovative Careers) classes across the learning consortium.

ACADEMIC SUPPORT

Academic support classes are also available to students who require additional support or a program modification to realize success in their school program. LWHS offers student interventions during the school day in English, Math, and organizational skills.

LWHS also offers Roo Time in our schedule to meet the various needs of all our students. Roo Time allows students to access extra support from their teachers during the school day, as well as make up missed labs, assignments, or tests. Roo Time provides additional time for academic work during the school day twice per week to help students in their educational successes.

ELECTIVES

In addition to our strong regular, honors and AP curriculums, students may also enroll in a variety of academic and on campus elective and vocational courses including:

Fine Arts Technology
Business Education Marketing
Family & Consumer Science
