

Kirkland Arts Center presents

TEEN ART PROGRAMS

8-Week Figure Drawing

Taught by experienced instructor Cooper Lanza, students will learn the basics of figure drawing with an aim towards personal expression in addition to observational skill. Models will be clothed.

Inspiration Series

From Picasso to Matisse, Japanese perspective to French Pointillism, and beyond, there's something for everyone in these a la carte single-day workshops by Maliha Masood.

Portfolio Prep Series

Each session will focus on a particular aspect of portfolio development from sketchbooking to preparing an artist statement. While this series is sure to be most helpful to juniors and seniors preparing college applications, any teen is welcome to join!

Free Open Studio

These sessions are free to all teens; materials are provided. Enjoy working on your own projects with assistance from KAC Director of Education and artist, Shayla M. Alarie.

Scholarships are available; materials are provided!
